Project Title:-

My Record

Project Glimpse:-

My record is a System which manages attendance and marks of students.

Project Description:-

It's an academic related system in which student can login and can view their attendance and marks. With some special login for teacher so they can update student record.

Target Features:-

- To prove a simple and smart system for teacher's to do job with ease.
- Students view their academic and track future progress.

Advantages:-

- Good for teacher who is looking for some awesome website to enhance attendance management job
- No special skills or training is needed to use this app and is ideal to use for any grades from K12 to higher education.

Future Scope:-

- In future we add biometric attendance to take input. With absolute no manual intervention
- Graphical and charts will be added to show records visual.

Limitations:-

For attendance there is daily need to update records.
